## NOTICE - NCASC College Magazine

### **Calling for a UNIQUE NAME from students**

A college magazine is an important link for faculty and students - past and present, hence we at NCASC are initiating a college magazine which will be published annually and will be handed over to every student on the first day of college.

The Magazine Committee is seeking for a **Unique Name** for the college magazine and is giving all students the opportunity to give their suggestions and a name for their magazine.

We urge students to put on their thinking caps and brainstorm an **exclusive name** for the college magazine that will be forever etched in the history of their Alma Mater. **Editorial Credit will be given for the same.**

Students may send in their name suggestions by filling the Google form on the following link: <https://forms.gle/C5PHochj2Tev2owg7>

Kindly mention your Full Name, Roll No and Program when sending your entries. The last day for submission is Tuesday **1st November 2022.**

**Selection / Decision of The Magazine Committee will stand final.**

We look forward to your enthusiastic response.

**By Order,**
