**Topic:** Admission letter for Mr Sudhanshu Jayprakash Mishra  
**Prot. n.814/2023**

**To whom it may concern:**

The committee has analyzed the documents presented by Mr Sudhanshu Jayprakash Mishra from India, bearing passport N. U6078755, who expressed his interest in enrolling into the Laurea Magistrale (master) in Data Science at the University of Napoli Federico II.

The documentation shows that he possesses the needed prerequisites and, therefore, he is admitted to the master.

Yours Faithfully  
Prof. Giuseppe Longo

Dear student,

**The selection committee recommends you to improve your understanding of statistics and of linear algebra before courses start. The master requires infact a very good understanding of the theoretical foundations of machine learning and derived technologies.**

Welcome to the University Federico II in Napoli: the oldest non confessional university in the World (it was established in 1224) and the second largest in Italy with over 100.000 students, 27 Departments distributed in 4 different campuses and more than 3000 faculty staff. We also remind you that the University has one of the highest ranks in Europe for scientific research.

**Please keep in mind that the University Federico II is committed to a non discriminatory policy about nationality, race, gender, religion, sexual orientation and political ideas. If your beliefs do not coincide with the above, you are strongly discouraged from enrolling.**

As a choice, in order to favor international students, the University has lowered the enrollment fee for foreign students (by a factor almost 20 with respect to Italian students) but does not provide grants or fellowship to cover living or lodging expenses. A limited number of low-cost rooms in student residences are available on a meritocratic ranking through Adisurc. Adisurc is an independent organization and the University has no control over it. You can find all relevant info at the URL: <https://www.adisurcampania.it/>. For more information on other issues such has how to get an Italian Fiscal code, the student permit (or "Permesso di Soggiorno") please read carefully the international website of the University (<http://www.international.unina.it/>).

This said,

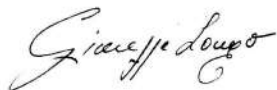

It is my pleasure to inform you that the admission committee has evaluated your CV and granted you the pre-acceptance letter. **Be aware, however, that this letter is only to allow you to submit the formal application through the Universitaly website (<https://www.universitaly.it/index.php/>) which is the ONLY entry point for foreign students in Italy.** Read also the documentation at the following link: [http://www.unina.it/documents/11958/28117939/2022-03-24\\_Avviso\\_Universitaly\\_22-23.pdf](http://www.unina.it/documents/11958/28117939/2022-03-24_Avviso_Universitaly_22-23.pdf)

In submitting your application to the Universitaly portal, please make sure that you are entering the correct information in the right places. Any mistake would require to re-open the files and, according to our experience over the last few years, this could cause delays of several months and therefore the impossibility to obtain the VISA in due time. After a correct submission you will receive a confirmation which is needed to apply for a student VISA. We recommend you to apply for the VISA as soon as possible. The procedure is lengthy and therefore, the sooner you do it the better it is (expecially because lectures are in presence and will start on September 15-th).

Concerning the VISA please remember that the university has no connection with the consular offices abroad and therefore refrain from asking the university to help you in speeding up the process. There is

nothing that the university can do in this respect. The coordinator of the course, Prof. Giuseppe Longo, as well as the secretary office (Dr Ilaria Iermano), are in charge of enrollment, study plans, curricula, ONLY. Mails not regarding other topics will not be answered. Issues other than the above, can however be addressed to the International Office.
